FROM JOB SEEKER TO EMPLOYMENT

“

“The Find a Job gave me the confidence, skills, and support I needed to secure employment. The CV guidance, job search strategies, and interview preparation helped me stand out to employers, and I'm pleased to say I successfully found a job just days after joining joblockr through LinkedIn. Before joining Joblockr, I would never have considered reaching out directly to employers who weren't actively advertising vacancies. That approach opened up opportunities I didn't know existed and ultimately helped me secure my new role”.

- Jack Hollins
